## INFORMATION SHEET

#### Public Service Health Care Plan (PSHCP) Relief Provision Application Form

#### What percentage of contributions do retired members pay for their PSHCP coverage?

Retired members percentage of contributions for Supplementary Coverage is currently 25% of the plan costs, excluding hospital coverage. The changes to the PHSCP cost sharing for retired members are:

- Effective April 1, 2015, the plan cost percentage will rise to 31.25%;
- Effective April 1, 2016, the percentage will increase to 37.5%;
- Effective April 1, 2017 the percentage will be 43.75%; and
- Effective April 1, 2018, the retired member share of the plan cost will have attained a 50% cost share ratio.

The rate will be adjusted annually after that date to maintain a 50:50 cost sharing ratio. Retired members who elect for coverage at levels 2 or 3 will continue to be responsible for 100% of the additional cost for the hospital coverage.

#### What is the PSHCP Relief Provision?

Retired members of the federal public service who are entitled to the PSHCP Relief Provision are eligible to retain the existing retired member / employer cost sharing ratio (25:75) as long as they meet the criteria for the provision.

#### Who is eligible for the PSHCP Relief Provision?

To be eligible for the PSHCP Relief Provision you must be a retired member of the PSHCP with Supplementary coverage (or have applied for PSHCP coverage) on or before March 31, 2015, and either:

1. In receipt of a Guaranteed Income Supplement (GIS) benefit from Employment and Social Development Canada (ESDC); or

2. Have a family net income (this includes a spouse income) as Notice of reported on line 236 of you and your spouse's previous taxable year Canada Revenue Agency (CRA) Notice of Assessment that is lower than the applicable GIS thresholds for an individual or couple.

The survivor of an eligible retired member who meets one of the above criteria is eligible to receive the PSHCP Relief Provision provided there is no break in PSHCP plan participation.

#### How do I apply?

Complete and sign the PSHCP Relief Provision Application Form and **return it to your pension office**. Please contact your pension office if you require assistance completing your application.

#### Do I need to re-apply for the PSHCP Relief Provision each year?

Approved applicants will be contacted next year and asked to complete the new application form. That application form will provide your pension office with the authority to contact CRA and/or ESDC to obtain the necessary information to validate your continued participation in the PSHCP Relief Provision for both, next year and each year thereafter.

#### What if my income increases?

In the event you are no longer found to be eligible for the PSHCP Relief Provision through the annual validation process, your PSHCP contribution rate will be adjusted to reflect the standard PSHCP retired member cost sharing ratio for the Supplementary coverage in the second month following your income validation.

#### Can I re-apply if my participation in the PSHCP Relief Provision was declined or terminated?

Yes, however, you will require to submit a new PSHCP Relief Provision Application Form.

# Will my application be back-dated if my net income is re-assessed by CRA or my GIS application is retroactively approved?

No. PSHCP Relief Provision for those who meet the income thresholds of the program or who declare they are in receipt of GIS will only be effective the second month following your pension office's receipt of an application form.
