Eligibility Criteria and Evaluation Questionnaire for Selecting Newspapers on Government of Canada Media Planning Cost Guides

INSTRUCTIONS

Before completing this application form, please note the following:

The Government of Canada (GC) media planning cost guides are tools used for planning GC advertising campaigns. They are designed to address the most common needs of GC institutions and therefore, do not include every type of publications. Notably, specialized publications whose editorial content is mainly devoted to specific topics such as agriculture, arts and culture, entertainment, sports and finance, as well as magazines, directories and newsletters, are not required to complete this application form. These publications are selected as necessary based on specific needs of GC institutions and media availability. It is therefore strongly recommended that you read these instructions and the eligibility criteria below carefully before submitting an application.

Please note that publications must meet all criteria to be eligible. The evaluation questionnaire must also be fully completed in a clear and legible manner in order to be accepted. Incomplete applications are returned to the publishers.

It is also important to note that a listing in the media planning cost guides is not a guarantee that the publication will receive GC advertising placements. Being listed guarantees that the publication will be considered for GC advertising campaigns, but media selection is strictly the prerogative of GC institutions. This selection is based on a number of factors, including campaign objectives, target audiences and markets and budgets.

The GC’s Agency of Record (AOR), Cossette Media, is responsible for maintaining the media planning cost guides and for evaluating publications in accordance with the criteria established by the GC. Evaluation results are communicated in writing to the publishers by the AOR. Please remember that the AOR has no influence on media selection for GC advertising campaigns; this responsibility is strictly the prerogative of GC institutions. To submit an application or if you have any questions on the eligibility criteria and the evaluation questionnaire, please contact Annie Dubois, AOR National Supervisor, at:
