# ENJOY THE BENEFITS OF DIRECT DEPOSIT

[directdeposit.gc.ca](http://directdeposit.gc.ca)

**Direct deposit** is a convenient way to receive payments from the Government of Canada. **To get your benefit and credit payments**, you must do your taxes every year, even if you have no income. The information from your tax return is used to calculate your payments.

If you are currently receiving your Canada Child Benefit and other federal payments by mail, you should consider enrolling in direct deposit.

You don't need a computer or Internet access to get your payments by direct deposit.

When you enrol in direct deposit, **your payments get deposited directly into your bank account** instead of being sent by mail.

**Direct deposit** is **reliable** and your payments will always be deposited **on time**.
